DuCard was the most responsive and easiest to communicate with. Scott was a breeze to work with and very accommodating especially when we had to move our wedding date up 3 months. Everyone loved the venue and wine, for most guests it was their first time visiting. Thank you Scott and all of the DuCard employees, my wedding was perfect!

I love this place!! It's in the foot hills of the Blue Ridge Mountains that give it a fantastic view that make it great for pictures and have a beautiful tasting room that was perfect for our reception. The staff there is amazing, the night before our wedding there was a storm that knocked down the tent and the next day the staff of the venue along with my dad, husband and groomsmen all helped clean and make sure that the day would go on. They are wonderful people that don't just throw parties and weddings but make memories that will last forever. I would not have had it any other way. I still go up there and because it is such a wonderful place.

DuCard Vineyards was a wonderful location for my wedding. Scott, the owner, is very friendly and was willing to work with me to make the site exactly how I wanted it! The vineyard is nestled in between steep hills and since I had my wedding in October, the trees were magnificent. Marty, the main person I worked with just before and during my event was fantastic. She was very helpful and attentive (everyone always had a full glass of wine!) and a very pleasant person to work with. Scott and the entire staff at DuCard Vineyards were key in making my wedding special and I can't thank them enough... not to mention drinking all the delicious wine!
